SECTION 12.1. APPOINTMENT OF JUDGES

(a) This Section governs the selection of Supreme and Appellate Judges and the selection of Circuit Judges of the First Judicial District and Circuits that adopt this Section and Section 12.3 by a local option referendum under Section 12.2. For purposes of this Section and Section 12.4, the term "Judge" includes all Supreme, Appellate, and Circuit Judges selected in accordance with this Section except where a distinction is indicated.

(b) Judges shall be appointed by the Governor from nominees submitted by Judicial Nominating Commissions.

(c) The office of a Judge shall be vacant upon the incumbent's death, resignation, retirement, or removal, upon conclusion of a term without retention in office, or whenever an increase in the number of Judges is authorized.

(d) As soon as a vacancy occurs in the office of Judge or will occur within 6 months by a day certain, or upon receiving notice from the Governor that all 3 nominees on a list have been rejected, the administrative director of the Illinois courts shall promptly notify the chairperson of the appropriate Judicial Nominating Commission, who shall immediately convene the Commission.

(e) Within 42 days after receiving notice from the administrative director of the Illinois courts, the Commission shall submit to the Governor a list of 3 nominees in alphabetical order, who are qualified for review by the Commission. For the purposes of Sections 12.1 through 12.5, "qualified for review by the Commission" means persons who by their character, temperament, professional aptitude, experience, and commitment to equal justice under law are deemed by the Commission to be best qualified to fill the vacancy. The Commission may not include on a list a nominee who is on another list pending before the Governor to fill a vacancy in the same judicial office or who was a nominee on a list rejected by the Governor to fill a vacancy in the same judicial office. No list shall have any effect after the required appointment is made from the list or all 3 nominees on the list are rejected by the Governor.

(f) Immediately upon receiving a list, the Governor shall make it public. Not less than 28 nor more than 56 days after receiving a list, the Governor shall appoint from the list a person to fill the vacancy or notify the administrative director of the Illinois courts that all 3 nominees on a list have been rejected.

(g) In the First Judicial District, half of the vacancies and new positions on the Circuit Court shall be filled by persons residing anywhere within the District and half shall be filled by persons residing within the divisions of the Circuit provided by law in accordance with subsection (a) of Section 7 of Article VI, if any. The appointments from the divisions, if any, within the Circuit shall be allocated equally among the divisions.

(h) A person appointed to fill a vacancy under this Section shall serve an initial term ending on the first Monday in December following the next general election held after the completion of one year in office. At that general election the Judge may stand for retention in office for a full term under Section 12.4.

SECTION 12.2. CIRCUIT LOCAL OPTION REFERENDA

(a) The electors of a Judicial Circuit may by a local option referendum adopt a proposition requiring Sections 12.1 and 12.3 to govern the selection of Circuit Judges of that Circuit. The electors of a Circuit shall vote on the proposition at the next general election held not less than 3 months following the filing of petitions with the Secretary of State, signed by at least 5% of the total number of electors who voted at the next preceding general election in that Circuit, asking that the proposition be submitted to referendum. If a majority of votes cast on the proposition are in the affirmative, Sections 12.1 and 12.3 shall thereafter govern the selection of Circuit Judges of the Circuit Court of that Circuit.

(b) After the eighth year following a local option referendum in which the electors of a circuit have adopted Sections 12.1 and 12.3 to govern the selection of Circuit Judges, the electors of the Circuit may terminate, by a local option referendum, their adoption of Sections 12.1 and 12.3. The referendum shall be subject to the same requirements and shall be conducted in the same manner as a referendum for adoption of Sections 12.1 and 12.3. If a majority of the votes cast on the proposition to terminate are in the affirmative, the selection of Circuit Judges and Associate Judges of that Circuit shall be governed by Sections 12 and 8, respectively, unless Sections 12.1 and 12.3 are again adopted under this Section.

(c) To provide time for the establishment of District Judicial Nominating Commissions, vacancies occurring in the offices of Supreme and Appellate Judge and, in the First Judicial District, Circuit Judge on or before June 30th following the date this Amendment takes effect shall continue to be filled, using the procedures in Section 12 as it existed before the effective date of this Amendment, for a term ending the first Monday in December after the next general election.

(d) To provide time for the establishment of a Circuit Judicial Nominating Commission, vacancies

occurring in the offices of Circuit Judge on or before March 31st following the adoption of Sections 12.1 and 12.3 in a local option referendum in a Judicial Circuit shall continue to be filled, using the procedures applicable before the referendum, for a term ending the first Monday in December after the next general election.

SECTION 12.3. JUDICIAL NOMINATING COMMISSIONS

(a) There shall be a Judicial Nominating Commission in the First Judicial District for the nomination of Judges for the Supreme, Appellate, and Circuit Courts for that District, in each other Judicial District for the nomination of Judges for the Supreme and Appellate Courts for that District, and in each Judicial Circuit that, by a local option referendum, adopts Section 12.1 and this Section for the nomination of Circuit Judges for that Circuit.

(b) Each Judicial Nominating Commission shall consist of 12 members who are residents of the appropriate District or Circuit.

(c) The President and Minority Leader of the Senate and the Speaker and Minority Leader of the House of Representatives shall each appoint 3 members to each Judicial Nominating Commission. Each appointing authority shall appoint one lawyer and 2 non-lawyers. Each member shall serve for a term of 6 years, except that the 3 initial members appointed by each appointing authority shall serve terms of 2, 4, and 6 years as designated by the appointing authority. Vacancies shall be filled for the unexpired term by the appointing authority who appointed the member whose office is then vacant. "Appointing authority" means the office, not the individual or political party affiliation of the individual who may hold that office from time to time.

(d) The chairperson of each Judicial Nominating Commission shall be selected by vote of all the members of the Commission. The term of a chairperson shall be for 3 years unless his or her remaining term as a member of the Commission expires sooner.

(e) A person who holds an office under the United States or this State or a unit of local government or school district and receives compensation for services rendered in that office or who holds any office or official position in a political party is ineligible to serve on a Judicial Nominating Commission. Compensation for service in the State militia or the armed services of the United States for a period of time to be determined by the Supreme Court by rule shall not be considered a disqualification. No member of a Judicial Nominating Commission may be appointed to judicial office while serving on the Commission or for a period of 3 years after his or her service on a Commission has ended.

(f) A member who has served a full term of 6 years on a Judicial Nominating Commission may not serve on a Commission during the next 3 years. No person may serve on more than one Judicial Nominating Commission at the same time.

(g) A Commission may conduct investigations, meetings, and hearings, all of which may be secret, and employ staff members that may be necessary to perform the Commission's duties. Members of Commissions shall not receive any compensation for their services, but shall be entitled to reimbursement for necessary expenses. The General Assembly shall appropriate funds to the Supreme Court for reimbursement of those expenses and for all other administrative expenses of the Commissions.

(h) Nominations shall be submitted to the Governor only upon concurrence of not less than two-thirds of all members of the Commission.

(i) All lawyer and non-lawyer members of each Judicial Nominating Commission shall be subject to ethics and economic disclosure requirements as provided by law.

SECTION 12.4. RETENTION ELECTIONS

(a) Not less than 6 months before the general election next preceding the expiration of the term of office of (i) a Supreme, Appellate, or Circuit Judge who was elected to that office or (ii) a Supreme, Appellate, or Circuit Judge who was appointed to that office under Section 12.1, he or she may file in the office of the Secretary of State a declaration of candidacy for retention in that office for a full term. Not less than 63 days before the election, the Secretary of State shall certify the Judge's candidacy to the proper election officials. At the election the name of each Judge who has timely filed a declaration of candidacy for retention (except each Supreme, Appellate, and Circuit Judge who, under Section 12.5, has been found qualified for review by the Commission and qualified to serve for the succeeding term) shall be submitted to the electors, separately and without party designation, on the sole question of retention in office for another term. Retention elections shall be conducted at general elections in the appropriate Judicial Districts and Circuits. The affirmative vote of three-fifths of the electors voting on the question of retention shall elect a Judge to that office for a full term commencing on the first Monday in December following the election.

(b) A Judge eligible to file a declaration of candidacy for retention who fails to do so within the time

specified in subsection (a) or, having filed, fails to be retained shall vacate the office on the first Monday in December following the election, whether or not a successor has yet qualified. If an incumbent Judge, eligible to do so, does not timely file a declaration of candidacy for retention, the selection of a successor, if any, shall proceed immediately in the manner provided in Section 12 or 12.1, whichever applies, so that the successor may take office as soon as a vacancy occurs.

(c) An authorized reduction in the number of Judges shall be without prejudice to the right of Judges in office at the time to seek retention in accordance with this Section. The reduction shall become effective when a vacancy occurs in the affected unit.

SECTION 12.5. JUDICIAL REVIEW COMMISSIONS

(a) In the First Judicial District, in each other Judicial District, and in each Judicial Circuit that, by local option referendum, has adopted Sections 12.1 and 12.3 for selection of Circuit Judges for that circuit, a Judicial Review Commission shall be created and empowered to determine qualification for retention of appointed Supreme, Appellate, and Circuit Judges.

(b) The members of a Judicial Review Commission shall be appointed in the manner specified in subsection (c) of Section 12.3 for appointment or election of members of a Judicial Nominating Commission.

(c) The terms of all members of a Judicial Review Commission shall begin 6 months before the general election in each year in which a general election is held and shall expire on the first Monday in November of the same year. Appointments to a Judicial Review Commission may not take place earlier than 45 days before the term is to commence.

(d) A vacancy in the membership of a Judicial Review Commission shall be promptly filled as provided in subsection (c) of Section 12.3 with respect to vacancies on a Judicial Nominating Commission.

(e) Judicial Review Commissions shall be governed by subsections (b), (d), (e), (g), and (i) of Section 12.3 with respect to Judicial Nominating Commissions as well as by this Section.

(f) A person who has served on a Judicial Review Commission may not serve on a Judicial Review Commission until 8 years have elapsed since the date his or her service on a Judicial Review Commission ended. A person who has served on a Judicial Nominating Commission may not serve on a Judicial Review Commission until 8 years have elapsed since the date his or her service on a Judicial Nominating Commission ended. No person may serve on a Judicial Nominating Commission while serving on a Judicial Review Commission.

(g) In each Judicial District and in Circuits governed by this Section, for each Supreme, Appellate, and Circuit Judge who has timely filed a declaration of candidacy for retention in office under Section 12.4, the Secretary of State shall, within 14 days after receipt of the declaration of candidacy, submit the Judge's name to the administrative director of the Illinois courts. Not more than 6 months nor less than 5 months before the general election next preceding the expiration of the term of office of the Judge, the administrative director of the Illinois courts shall notify the chairperson of the appropriate Judicial Review Commission of the Judge's candidacy. The chairperson shall then promptly convene the Commission.

(h) If, by concurrence of not less than two-thirds of its members, the Commission finds the candidate to be qualified for review by the Commission and qualified to serve another term, the candidate shall be retained in office for a full term commencing on the first Monday in December following the election. Not less than 84 days before the election, the Commission shall prepare and submit to each candidate its finding as to whether the Commission finds or fails to find that candidate qualified for review by the Commission and qualified to serve for another term. Not less than 77 days before the election the Commission shall submit to the Secretary of State a list stating by name:

(i) which candidates it has found qualified to serve another term;

(ii) which candidates it has failed to find so qualified; and

(iii) which candidates have withdrawn their candidacy by written notification to the Commission.

(i) Failure of a candidate to be found qualified for retention by a Judicial Review Commission shall be without prejudice to the candidate's right to stand for retention by the electorate at a general election under Section 12.4.

WHEREAS, It has long been the policy of this State to authorize various efforts to supplement educational and home-based activities in support of developing youth; and

WHEREAS, Although current efforts to support developing youth are well-intended, laudable, and, in some cases, well-received, they are unable to fill the broad spectrum of existing need; and

WHEREAS, It has been clearly demonstrated that community-based one-to-one mentoring relationships between youth and caring volunteer adults have proven to reduce the likelihood of drug and alcohol use by 27%-46%, deter juvenile delinquency, improve classroom performance and school attendance by 58%, and improve family relationships; and

WHEREAS, the extremely worthwhile nature of one-to-one mentoring efforts has been documented by a comprehensive study conducted by the highly respected Public Private Ventures Study, declaring a need for a national initiative to encourage and expand mentoring efforts; and

WHEREAS, it is necessary to study and design a more inclusive delivery system for the support of at-risk youth through one-to-one mentoring programs; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that a new, sustainable, community-based one-to-one mentoring effort is necessary to maximize the potential of the estimated 475,000 at-risk young people of this State; and be it further

WHEREAS, An affected public employee loses an average of \$3,000 per year because of the Government Pension Offset; and

WHEREAS, The Windfall Elimination Provision causes public employees to lose up to 60% of the benefits that they earned; and

WHEREAS, According to the Social Security Administration's actuaries, the long-term cost of eliminating both of these provisions is negligible while the loss of income to affected employees caused by these provisions forces some civil servants into poverty; and

WHEREAS, These provisions discriminate against teachers, police, firefighters, social workers, and other civil servants; and

WHEREAS, The State and national shortage of teachers, police officers, and firefighters is exacerbated by these provisions because they discourage people from entering and staying in these professions; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the U.S. Congress to pass legislation that eliminates both the Government Pension Offset and the Windfall Elimination Provision; and be it further

The Speaker may establish a Weekly Order of Business or a Daily Order of Business setting forth the date and approximate time at which specific legislative measures may be considered by the House. The Weekly Order of Business or Daily Order of Business is effective upon being filed by the Speaker with the Clerk and takes the place of the standing order of business for the amount of time necessary for its completion. Nothing in this Rule, however, limits the Speaker's or Presiding Officer's powers under Rule 4(c)(3) or Rule 43(a).

(d) The foregoing deadlines, or any revisions to those deadlines, are effective upon being filed by the Speaker with the Clerk. The Clerk shall journalize those deadlines.

(e) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 10)

10. Committees.

(a) The committees of the House are: (i) the standing committees listed in Rule 11; (ii) the special committees created under Rule 13; (iii) subcommittees created by standing committees or by special committees; (iv) the Rules Committee created under Rule 15; (v) ~~the Committee on Conflicts of Interest created under Rule 71;~~ (vi) the Election Contest or Qualifications Challenge Committees, if any, created under Article X; (vi) and (vii) any committees created under Article XII ; and (vii) any Committee of the Whole. Subcommittees may not create subcommittees. Committees of the Whole shall consist of all Representatives.

(b) Except as otherwise provided in this Rule, all committees, except special committees created under Rule 13, shall have a Chairperson and Minority Spokesperson, who may be of the same political party. Special committees created under Rule 13 that have Co-Chairpersons from different political parties shall not have a Minority Spokesperson. No member may be appointed to serve as a Chairperson, Minority Spokesperson, or Co-Chairperson of any committee unless the member is serving in at least his or her third term as a member of the General Assembly, including any terms in which the member was appointed to fill a vacancy in the office of Representative or Senator; provided that this requirement does not apply if the member received a stipend or additional amount during a previous General Assembly as an "officer", "committee chairman", or "committee minority spokesman" as provided in Section 1 of the General

Assembly Compensation Act (25 ILCS 115/1) and in Rule 13(b). Each committee may have a Vice-Chairperson appointed by the Speaker. ~~Committees of the Whole shall consist of all Representatives.~~ The number of majority caucus members and minority caucus members of all committees, except the Rules Committee created under Rule 15, ~~the Committee on Conflicts of Interest created under Rule 71,~~ and any committees that may be created under Article XII, shall be determined by the Speaker. The Speaker shall file a notice with the Clerk setting forth the number of majority caucus and minority caucus members of each committee, which shall be journalized. A member may be temporarily replaced on a committee due to illness or if the member is otherwise unavailable. All leaders are non-voting ex-officio members of each standing committee and each special committee, except that the leaders may also be appointed to standing committees or special committees as voting members. The Speaker may also appoint any member of the majority caucus, and the Minority Leader may appoint any member of the minority caucus, as a non-voting ex-officio member of any standing committee or special committee.

(c) The Chairperson of a committee has the authority to call the committee to order, designate ~~the order in~~ which bills and resolutions posted for hearing shall be taken up and in what order, order a record vote to be taken on each legislative measure called for a vote, preserve order and decorum during committee meetings, establish procedural rules (subject to approval by the Speaker) governing the presentation and consideration of legislative measures, and generally supervise the affairs of the committee. The Vice-Chairperson of a committee or other member of the committee from the majority caucus may preside over its meetings in the absence or at the direction of the Chairperson. In the case of special committees with Co-Chairpersons from different political parties, the "Chairperson" for purposes of this Rule is the Co-Chairperson from the majority caucus.

(d) A vacancy on a committee, or in the position of Chairperson, Co-Chairperson, Vice-Chairperson, or Minority Spokesperson on a committee, exists when a member resigns from the position or ceases to be a Representative. Resignations shall be made in writing to the Clerk, who shall promptly notify the Speaker and Minority Leader. Absent concurrence by a majority of those elected, except as otherwise provided in Rule 15 and except in connection with temporary replacements under Rule 10(b), no member who resigns from a committee shall be re-appointed to that committee for the remainder of the term. Replacement members shall be of the same political party as that of the member who resigns, and shall be appointed in the same manner as the original appointment, except that in the case of the resignation of a Chairperson or Co-Chairperson, the replacement member need not be from the same political party. In the case of vacancies on subcommittees that were created by committees, the parent committee shall fill the vacancy in the same manner as the original appointment.

(e) The Chairperson of a committee has the authority to call meetings of that committee, subject to the approval of the Speaker. The Speaker may create additional special committees by filing a notice of the creation of the special committee with the Clerk. The notice creating an additional special committee shall specify the subject matter of the special committee and the number of members to be appointed.

(b) The Speaker shall determine the number of majority and minority caucus members to be appointed to special committees in accordance with Rule 10(b). The Speaker, at his or her discretion, shall appoint a Chairperson or Co-Chairpersons. The Speaker may appoint any member as a Chairperson or Co-Chairperson of a special committee. If the Chairperson or Co-Chairperson is a member of the majority or minority leadership or the Chairperson or Minority Spokesperson of a standing committee, the member shall receive no additional stipend or compensation for serving as Chairperson or Co-Chairperson of the special committee. For purposes of Section 1 of the General Assembly Compensation Act (25 ILCS 115/1), (i) a special committee under these rules is considered a "select committee" and (ii) one Co-Chairperson of a special committee shall be considered "Chairman" and the other shall be considered "Minority Spokesman". The appointed members of special committees shall be designated by the Speaker and the Minority Leader in a like manner as provided in Rule 12 with respect to standing committees, except that if the special committee has Co-Chairpersons from different political parties, the special committee shall not have a Minority Spokesperson. In that case, the Minority Leader shall appoint the minority caucus

members to the special committee, except the Co-Chairperson from the minority caucus who shall be appointed by the Speaker. The Speaker may establish a reporting date during the term for each special committee by filing a notice of the reporting date with the Clerk. Unless an earlier date is specified by the notice, special committees expire at the end of the term.

(c) Special committees are empowered to conduct business when a majority of the total number of committee members has been appointed.

(d) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 14)

14. Subcommittees.

(a) The Chairperson of a standing committee or a special committee may create a subcommittee by filing a notice with the Clerk and the committee clerk. The number of majority caucus and minority caucus members to be appointed to a subcommittee shall be determined by the Committee Chairperson, and filed with the Clerk and the committee clerk. In the case of special committees with Co-Chairpersons from different political parties, the creation of subcommittees and the number of majority caucus and minority caucus members to be appointed to the subcommittee shall be determined by the Co-Chairperson from the majority caucus. Members of subcommittees must be members of the parent committee, and shall be appointed in the manner determined by the committee Chairperson, or in the case of special committees with Co-Chairpersons from different political parties, by the Co-Chairperson from the majority caucus.

The notice creating a subcommittee shall specify the subject matter of the subcommittee and the number of members to be appointed, and may specify a reporting date during the term. Unless an earlier date is specified by the notice, subcommittees expire at the end of the term.

(b) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 15)

15. Rules Committee.

(a) The Rules Committee is created as a permanent committee. The Rules Committee shall consist of 5 members, 3 appointed by the Speaker and 2 appointed by the Minority Leader. The Speaker and the Minority Leader are each eligible to be appointed to the Rules Committee. The Rules Committee may conduct business when a majority of the total number of its members has been appointed.

(b) The majority caucus members of the Rules Committee shall serve at the pleasure of the Speaker, and the minority caucus members shall serve at the pleasure of the Minority Leader. Appointments shall be by notice filed with the Clerk, and shall be effective for the balance of the term or until a replacement appointment is made, whichever first occurs. Appointments take effect upon filing with the Clerk, regardless of whether the House is in session. Notwithstanding any other provision of these Rules, any Representative who is replaced on the Rules Committee may be re-appointed to the Rules Committee without concurrence of the House.

(c) Notwithstanding any other provision of these Rules, the Rules Committee may meet upon reasonable public notice that includes a statement of the subjects to be considered. All legislative measures pending before the Rules Committee are eligible for consideration at any of its meetings, and all of those legislative measures are deemed posted for hearing by the Rules Committee for all of its meetings.

(d) Upon concurrence of a majority of those appointed, the Rules Committee may advance any legislative measure pending before it to the House, without referral to another committee; the Rules Committee, however, shall not so report any bill that has never been before a standing committee or a special committee of the House.

(e) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 16)

16. Referrals of Resolutions and Reorganization Orders.

(a) All resolutions, except adjournment resolutions and resolutions considered under subsection (b) or (c) of this Rule, after being initially read by the Clerk, are automatically referred to the Rules Committee, which may thereafter refer any resolution before it to the House or to a standing committee or special committee. No resolution, except adjournment resolutions and resolutions considered under subsection (b) or (c) of this Rule, may be considered by the House unless referred to the House by the Rules Committee under Rule 18, or by a standing committee or special committee. An adjournment resolution is subject to Rule 66.

(b) Any member may file a congratulatory resolution for consideration by the House. The Principal Sponsor of each congratulatory resolution shall pay a reasonable fee, determined by the Clerk with the approval of the Speaker, to offset the actual cost of producing the congratulatory resolution. The fee may be paid from the office allowance provided by Section 4 of the General Assembly Compensation Act, or from

any other funds available to the member. Upon agreement of the Speaker and the Minority Leader, congratulatory resolutions may be immediately considered and adopted by the House without referral to the Rules Committee. Those resolutions may be adopted as a group by a single motion. Congratulatory resolutions shall be entered on the Journal only by number, sponsorship, and subject. The provisions of this subsection requiring the Principal Sponsor to pay a reasonable fee may not be suspended.

(c) Death resolutions in memory of former members of the General Assembly and former constitutional officers, upon introduction, may be immediately considered by the House without referral to the Rules Committee. Those resolutions shall be entered on the Journal in full.

(d) Executive reorganization orders of the Governor issued under Article V, Sec. 11 of the Constitution, upon being read into the record by the Clerk, are automatically referred to the Rules Committee for its referral to a standing committee or a special committee, which may issue a recommendation to the House with respect to the Executive Order. The House may disapprove of an Executive Order only by resolution adopted by a majority of those elected; no such resolution is in order until a standing committee or a special committee has reported to the House on the executive reorganization, or until the Executive Order has been discharged under Rule 58.

(House Rule 17)

17. Sponsorship by the Rules Committee. The Rules Committee may consider any legislative measure referred to it under these Rules, by motion or resolution, or by order of the Presiding Officer upon initial reading. The Rules Committee may, with the concurrence of a majority of those appointed, sponsor motions or resolutions; notwithstanding any other provision of these Rules, any motion or resolution sponsored by the Rules Committee may be immediately considered by the House without referral to a committee. Any such motion or resolution shall be assigned standard debate status, subject to Rule 52.

(House Rule 18)

18. Referrals to Committees.

(a) All House Bills and Senate Bills, after being initially read by the Clerk, are automatically referred to the Rules Committee.

(b) During odd-numbered years, the Rules Committee shall thereafter refer any such bill before it, and which has a Principal Sponsor, to a standing committee or a special committee within 3 legislative days. During even-numbered years, the Rules Committee shall refer to a standing committee or a special committee only appropriation bills implementing the budget and bills deemed by the Rules Committee, by the affirmative vote of a majority appointed, to be of an emergency nature or to be of substantial importance to the operation of government. This subsection (b) applies equally to House Bills and Senate Bills introduced into or received by the House.

(c) A standing committee or a special committee may refer a subject matter or a legislative measure pending in that committee to a subcommittee of that committee.

(d) All legislative measures favorably reported by a standing committee or a special committee, or discharged from a standing committee or a special committee under Rule 58, shall be referred to the House and placed on the appropriate order of business, which shall appear on the daily calendar. All legislative measures, except bills or resolutions on the Consent Calendar, bills or resolutions assigned short debate status by a standing committee or special committee, and floor amendments, so referred are automatically assigned standard debate status, subject to Rule 52.

(e) All floor amendments, joint action motions for final action, conference committee reports, and motions to table committee amendments, upon filing with the Clerk, are automatically referred to the Rules Committee. The Rules Committee may refer any floor amendment, joint action motion for final action, conference committee report, or motion to table a committee amendment to the House or to a standing committee or a special committee for its review and consideration (in those instances, and notwithstanding any other provision of these Rules, the standing committee or special committee may hold a hearing on and consider those legislative measures pursuant to a one-hour advance notice). Any floor amendment, joint action motion for final action, conference committee report, or motion to table a committee amendment that is not referred to the House by the Rules Committee is out of order, except that any floor amendment, joint action motion for final action, conference committee report, or motion to table a committee amendment favorably approved by a standing committee or a special committee is deemed referred to the House by the Rules Committee for purposes of this Rule. All joint action motions for final action, conference committee reports and motions to table committee amendments so referred are automatically assigned standard debate status, subject to Rule 52. Floor amendments referred to the House under this Rule are automatically assigned amendment debate status.

(f) The Rules Committee may at any time refer or re-refer a legislative measure from a committee to a

Committee of the Whole or to any other committee.

(g) Legislative measures may be discharged from the Rules Committee only by unanimous consent of the House. Any bill discharged from the Rules Committee shall be placed on the order of Second Reading and assigned standard debate status, subject to Rule 52.

(h) Except for those provisions that require unanimous consent, this Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 19)

19. Re-Referrals to the Rules Committee.

(a) All legislative measures that fail to meet the applicable deadline established under Rule 9 for reporting to the House by a standing committee or a special committee, for Third Reading and passage, or for consideration of joint action motions and conference committee reports are automatically re-referred to the Rules Committee unless: (i) the deadline has been suspended or revised by the Speaker, with re-referral to the Rules Committee to occur if the bill has not been reported to the House in accordance with a revised deadline; or (ii) the Rules Committee has issued a written exception to the Clerk with respect to a particular bill before the reporting deadline, with re-referral to occur, if at all, in accordance with the written exception.

(b) All legislative measures pending before the House or any of its committees are automatically re-referred to the Rules Committee on the 31st consecutive day that the House has not convened for session unless: (i) any deadline applicable to the bill or resolution that has been designated by the Speaker under Rule 9 exceeds 31 days, with re-referral to occur, if at all, in accordance with that deadline; (ii) this Rule is suspended under Rule 67; or (iii) the Rules Committee, by the affirmative vote of a majority appointed, issues a written exception to the Clerk before that 31st day.

(House Rule 20)

20. Reporting by Committees. Committees shall report to the House, and subcommittees shall report to their parent committees.

(House Rule 21)

21. Notice.

(a) Except as provided in Rule 18 or unless this Rule is suspended under Rule 67, no standing committee or special committee may consider or conduct a hearing with respect to a subject matter or a legislative measure absent notice first being given as follows:

(1) The Chairperson of the committee, or the Co-Chairperson from the majority caucus of a special committee, shall, no later than 6 days before any proposed hearing, post a notice on the House bulletin board identifying each subject matter and each legislative measure, other than a committee amendment upon initial consideration under Rule 40, that may be considered during that hearing. The notice shall contain the day, hour, and place of the hearing. Legislative measures and subject matters posted for hearing as provided in this item (1) may also be considered at any committee hearing re-convened following a recess of the committee for which notice was posted, but only if the House has met or was scheduled to meet in regular, veto, or special session on each calendar day from the time of the original committee hearing to the re-convened committee hearing.

(2) Meetings of the Rules Committee may be called under Rule 15; meetings of the standing committees and special committees to consider floor amendments, joint action motions for final consideration, conference committee reports, and motions to table committee amendments may be called under Rule 18.

(3) The Chairperson, or Co-Chairperson from the majority caucus of a special committee, shall, in advance of a committee hearing, notify all Principal Sponsors of legislative measures posted for that hearing of the date, time, and place of hearing. When practical, the Clerk shall include a notice of all scheduled hearings, together with all posted bills and resolutions, in the Daily Calendar of the House. Regardless of whether a particular legislative measure or subject matter has been posted for hearing, it is in order for a committee during any of its meetings to refer a subject matter or legislative measure pending before it to a subcommittee of that committee.

(b) Other than the Rules Committee, no committee may meet during any session of the House, and no commission created by Illinois law that has legislative membership may meet during any session of the House.

(c) Regardless of whether notice has been previously given, it is always in order for a committee to table any legislative measure pending before it when the Principal Sponsor so requests, subject to Rule 60.

(d) This Rule may be suspended only by the affirmative vote of 71 members elected, subject to Rule 25.

(House Rule 22)

22. Committee Procedure.

(a) A committee may consider any legislative measure referred to it, except as provided in subsection (b), and may make with respect to that legislative measure one of the following reports to the House or to the parent committee, as appropriate:

- (1) that the bill "do pass";
- (2) that the bill "do not pass";
- (3) that the bill "do pass as amended";
- (4) that the bill "do not pass as amended";
- (5) that the resolution "be adopted";
- (6) that the resolution "be not adopted";
- (7) that the resolution "be adopted as amended";
- (8) that the resolution "be not adopted as amended";
- (9) that the floor amendment, joint action motion, conference committee report, or motion to table a committee amendment referred by the Rules Committee "be adopted";
- (10) that the floor amendment, joint action motion, conference committee report, or motion to table a committee amendment referred by the Rules Committee "be not adopted";
- (11) "without recommendation"; or
- (12) "tabled".

Any of the foregoing reports may be made only upon the concurrence of a majority of those appointed. All legislative measures reported "do pass", "do pass as amended", "be adopted", or "be adopted as amended" are favorably reported to the House. Except as otherwise provided by these Rules, any legislative measure referred or re-referred to a committee and not reported under this Rule shall remain in that committee.

(b) No bill or committee amendment that provides for an appropriation of money from the State Treasury may be considered by an Appropriations Committee unless the bill or committee amendment is limited to appropriations to a single department, office, or institution; this provision does not apply to floor amendments, joint action motions, or conference committee reports.

No bill that provides for an appropriation of money from the State Treasury may be considered for passage by the House unless it has first been favorably reported by an Appropriations Committee or:

- (1) the bill was discharged from an Appropriations Committee under Rule 58;
- (2) the bill was exempted from this requirement by a majority of those appointed to the Rules Committee; or
- (3) this Rule was suspended under Rule 67.

(c) The Chairperson of each committee, or Co-Chairperson from the majority caucus of a special committee, shall keep, or cause to be kept, a record in which there shall be entered:

- (2) The attendance of committee members at each meeting.

(4) The "Record of Committee Witness" forms executed by each person appearing or registering in each committee meeting, which shall include identification of the witness, the person, group, or firm represented by appearance and the capacity in which the representation is made (if the person is representing someone other than himself or herself), his or her position on the legislation under consideration, and the nature of his or her desired testimony.

(5) A tape recording of the proceedings.

(6) Such additional information as may be requested by the Clerk.

(d) The committee Chairperson, or the Co-Chairperson from the majority caucus of a special committee, shall file with the Clerk, along with every bill or resolution reported upon, a written report containing such information as required by the Clerk. The Clerk may adopt forms, policies, and procedures with respect to the preparation, filing, and maintenance of the reports.

(e) When a committee fails to report a legislative measure pending before it to the House, or when a committee fails to hold a public hearing on a legislative measure pending before it, the exclusive means to bring that legislative measure directly before the House for its consideration is as provided in Rule 18 or Rule 58.

(f) No bill or resolution may be called for a vote in a standing committee or special committee in the absence of the Principal Sponsor. The Chairperson of a committee or a chief co-sponsor may present a bill or resolution in committee with the approval of the Principal Sponsor when the committee consents. In the

case of special committees with Co-Chairpersons from different political parties, the "Chairperson" means the Co-Chairperson from the majority caucus. This subsection may not be suspended.

(g) Motions for committee approval of bills and resolutions are renewable, provided that no bill or resolution may be voted on more than twice in any committee on motions to report the bill or resolution favorably, or to reconsider the vote by which the committee adopted a motion to report the bill or resolution unfavorably. A bill or resolution having failed to receive a favorable recommendation after 2 such record votes shall be automatically reported with the appropriate unfavorable recommendation.

(h) A bill or resolution shall be given short debate status by report of the committee if the bill or resolution was favorably reported by a three-fifths vote of the members present and voting, including those voting "present". Bills and resolutions receiving favorable reports may be placed upon the Consent Calendar as provided in Rule 42.

(i) This Rule may be suspended only by the affirmative vote of 71 members elected.
(House Rule 23)

23. Witnesses, Oaths, and Subpoenae.

(a) Standing committees may administer oaths and may compel, by subpoena, any person to appear and give testimony as a witness before the standing committee and produce papers, documents, and other materials relating to a legislative measure pending before the standing committee.

(b) Special committees may administer oaths and may compel, by subpoena, any person to appear and give testimony before the special committee and produce papers, documents, and other materials relating to the subject matter for which the special committee was created or relating to a legislative measure pending before the special committee.

(c) A Committee ~~committee~~ of the Whole ~~whole~~ may administer oaths and may compel, by subpoena, any person to appear and give testimony before the committee of the whole and produce papers, documents, and other materials relating to the subject matter for which the committee of the whole was created or relating to a legislative measure pending before the committee of the whole.

(d) Oaths may be administered under this Rule by the Presiding Officer or by the Chairperson of a committee or any person sitting in his or her stead.

(e) Subpoenae issued under this Rule must be issued and signed by the Chairperson of the committee and must comply with Rule 4(c)(9).

(f) In the case of special committees with Co-Chairpersons from different political parties, the term "Chairperson" for purposes of this Rule means the Co-Chairperson from the majority caucus.

(g) This Rule may be suspended only by the affirmative vote of 71 members elected.
(House Rule 24)

24. Committee Reports.

(a) All bills favorably reported to the House from a committee, or with respect to which a committee has been discharged, shall be reported to the House and shall be placed on the order of Second Reading and assigned standard debate status, subject to Rule 52. Bills reported to the House from committee "do not pass", "do not pass as amended", "without recommendation", or "tabled" shall lie on the table.

(b) All floor amendments, joint action motions for final action, conference committee reports, and motions to table committee amendments favorably reported from a standing committee or special committee shall be referred to the House and eligible for consideration when the House is on an appropriate order of business. Amendments to bills that are not on the order of Second Reading are out of order. All floor amendments, joint action motions for final action, conference committee reports, and motions to table committee amendments that are reported to the House from committee "be not adopted", "without recommendation", or "tabled" shall lie on the table. When the Rules Committee refers a floor amendment, joint action motion for final action, conference committee report, or motion to table a committee amendment to a standing committee or a special committee that thereafter favorably reports that legislative measure to the House, the legislative measure shall be referred to the House, assigned standard debate status subject to Rule 52 (except floor amendments, which shall be assigned amendment debate status), and eligible for consideration when the House is on an appropriate order of business.

(c) All resolutions favorably reported to the House from the Rules Committee, a standing committee, or a special committee, or with respect to which the committee has been discharged, shall be referred to the House and placed on the order of Resolutions and assigned standard debate status, subject to Rule 52. All resolutions that are reported to the House from committee "be not adopted", "be not adopted as amended", "without recommendation", or "tabled" shall lie on the table. Floor amendments to resolutions are subject to the same procedure applicable to floor amendments to bills.

(House Rule 25)

25. Suspension of Posting Requirements.

(a) A motion to suspend the posting requirements of Rule 21 must be in writing, specifying the committee and the bills or resolutions to which the motion applies, be carried on the calendar before it may be taken up by the House, and adopted by the affirmative vote of 60 members elected. The calendar requirements of this Rule may be suspended only by unanimous consent. The requirement that the motion be in writing may not be suspended.

(b) Except for those provisions that may not be suspended or that require unanimous consent, this Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 26)

26. Rights of the Public.

(a) If a bill or resolution has been properly set for hearing and witnesses are present and wish to testify, the committee shall hear the witnesses at the scheduled time and place, subject to Rule 10(c).

(b) Any person wishing to offer testimony to a committee hearing of a bill or resolution shall be given a reasonable opportunity to do so, orally or in writing. The Chairperson may set time limits for presentation of oral testimony. No testimony in writing is required of any witness, but any witness may submit a statement in writing for the committee record. All persons offering testimony shall complete a "Record of Committee Witness" form and submit it to the committee clerk before testifying. In the case of special committees with Co-Chairpersons from different political parties, the "Chairperson" means the Co-Chairperson from the majority caucus.

(c) A motion to foreclose further oral testimony by witnesses on a matter before a committee may be adopted only by a three-fifths majority of those voting on the motion. No such motion is in order until both proponents and opponents requesting to be heard have been given a fair and substantial opportunity to express their positions. No one shall be prohibited from filing for the record "Record of Committee Witness" forms or written statements while the matter is before the committee.

(d) Meetings of committees and subcommittees shall be open to the public. Committee meetings of the House may be closed to the public if two-thirds of the members elected to the House determine, by a record vote, that the public interest so requires.

(e) This Rule cannot be suspended retroactively.

(House Rule 27)

27. Smoking. Smoking is prohibited at any official committee hearing, and no committee member, staff member, or member of the public is permitted to smoke in the room in which the hearing is being held.

Attendance by members is not required or recorded on perfunctory session days.

(b) Regular and veto session days shall be scheduled with notice by the Speaker under Rule 9. Special session days shall be scheduled in accordance with the Constitution and laws of Illinois.

The Principal Sponsor may change the sponsorship of a bill to that of one or more other Representatives, with his, her, or their consent, or to that of the standing committee or special committee to which the bill was referred or from which the bill was reported. Such change may be made at any time the bill is pending before the House or any of its committees by filing a notice with the Clerk. This subsection may not be suspended.

(b) The Principal Sponsor of a bill controls that bill. A standing committee-sponsored bill is controlled by the Chairperson of the committee, who for purposes of these Rules is deemed the Principal Sponsor. Committee-sponsored bills may not have individual co-sponsors.

(c) The Senate sponsor of a bill originating in the Senate may request substitute House sponsorship of that bill by filing a notice with the Clerk; such a notice is automatically referred to the Rules Committee and deemed adopted if approved by the Rules Committee. 40. Amendments.

(a) An amendment to a bill may be adopted by a standing committee or special committee when the bill is before that committee. All amendments not adopted to a bill and that are still pending in a committee or before the House upon the passage or defeat of a bill on Third Reading are automatically tabled.

(b) Except as otherwise provided in these Rules, committee amendments may be offered only by the Principal Sponsor or a member of the committee while the affected bill is before that committee, and shall be adopted by a majority of those appointed. Floor amendments may be offered only by a Representative while the bill is on the order of Second Reading, subject to Rule 18, and shall be adopted by a majority vote of the House. The sponsor of a committee or floor amendment may change the sponsorship of the amendment to that of another member, with that other member's consent. Such change may be made at any time the amendment is pending before the House or any of its committees by filing notice with the Clerk. A committee amendment may be the subject of a motion to "do adopt" or "do not adopt". A committee amendment may be adopted only by a successful motion to "do adopt". The Chairperson of a committee may refer any committee amendment to a subcommittee of that committee.

(c) Committee amendments shall be filed with the Chairperson of the committee, and are in order only when sufficient copies have been filed to provide each member of the committee with a copy (which may be done in the same manner as distribution of bills under Rule 39) and 9 additional copies for the Chairperson. Floor amendments shall be filed with the Clerk, and are in order only when 9 copies have been filed.

(d) The Clerk shall have reproduced all adopted committee amendments that come before the House. The Clerk shall also have reproduced all floor amendments referred to the House by a committee. (House Rule 42)

42. Consent Calendar.

(a) The Clerk shall include a Consent Calendar on the daily calendar and designate it as a separate calendar. The Consent Calendar shall contain 3 orders of business: Consent Calendar - Second Reading, Consent Calendar - Third Reading, and Consent Calendar - Resolutions. Within each order of business, bills or resolutions shall be listed in separate groups according to the number of required days each has been on that order of business on the Consent Calendar. No more than 80 bills and resolutions shall be listed in each group. All bills or resolutions to which amendments have been adopted shall be so designated.

(b) No debate is in order regarding any item on the Consent Calendar. The Presiding Officer, however, shall allow a reasonable time for questions from the floor and answers to those questions. No amendment from the floor is in order regarding any bill or resolution on the Consent Calendar.

(d) No person shall give any signs of approbation or disapprobation while the House is in session.

(e) Recognition of guests by any member is prohibited, except that the Speaker or Presiding Officer may recognize an honored guest.

No debate is in order on bills or resolutions on the order of First Reading or Second Reading, except for debate on floor amendments as provided in this Rule.

(b) All legislative measures, except floor amendments, referred to the House from a committee, or discharged from a committee, are automatically assigned standard debate status, subject to subsection (c) of this Rule, except those assigned to the Consent Calendar or short debate status by a standing committee or a special committee. While a legislative measure is being considered by the House, the debate status may also be changed by unanimous consent. No legislative measure, however, may be placed on the Consent Calendar under this Rule. No legislative measure, except a floor amendment, may be assigned amendment debate status under this Rule.

(d) The Speaker or Rules Committee, as the case may be, shall notify the Clerk of any action to change the debate status of any legislative measure. The Clerk shall cause that information to be reflected on the Daily Calendar on subsequent legislative days, provided the legislative measure is still before the House.

Each statement shall indicate the member or members on whose behalf the statement is submitted, the bill, resolution, or floor amendment to which it applies, the names of any other members mentioned in the statement, and the person who actually submits the statement to the Clerk. Each member on whose behalf a statement is submitted is under an obligation to ensure that all required information, specifically including the names of any other members mentioned in the statement, is indicated at the time a statement is submitted. Each statement shall comply with standards as may be established by the Clerk with the approval of the Speaker. The standards established by the Clerk, however, shall not relate to the contents of the written statement. The Clerk shall maintain statements that comply with this Rule and established standards in files for each bill and resolution. A statement is not considered filed until the Clerk has determined that it complies with this Rule and established standards. The Clerk shall notify the member or members on whose behalf a statement was submitted if the statement is determined not to comply. Statements filed under this Rule shall be considered part of the transcript and made available to the public.

(b) If a statement mentions another member, the statement shall not be considered filed until the member mentioned has an opportunity to respond as a matter of personal privilege. The Clerk shall notify each member who is identified at the time a statement is submitted as being mentioned in the statement. The member identified as mentioned in the statement shall have one legislative day or 3 business days, whichever is shorter, after notification by the Clerk in which to file a written response to the statement. The original statement and any responsive statement shall both be considered filed at the close of business on the final day on which a response may be filed. If, however, a statement is submitted mentioning another member and the name of the member mentioned is not indicated to the Clerk at the time of submission, the statement shall be stricken at the request of the member mentioned in the statement. The Clerk shall notify each member on whose behalf the statement was submitted that the statement has been stricken from the record.

(c) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 54)

54. Motions.

(a) The following are general rules for all motions:

(1) Every motion, except to adjourn, recess, or postpone consideration, shall be reduced to writing if ordered by the Presiding Officer. Unless otherwise provided in these Rules, no second is required to any motion presented to the House, or in any committee. The Presiding Officer may refer any motion to the Rules Committee.

(2) Before the House debates a motion, the Presiding Officer shall state an oral motion

and the Clerk shall read aloud a written motion. Each motion, unless otherwise provided in these Rules, is assigned standard debate status, subject to Rule 52.

(3) After a motion is stated by the Presiding Officer or read by the Clerk, it is deemed in the possession of the House, but may be withdrawn at any time before decision with consent of a majority of the members elected.

(4) If a motion is divisible, any member may call for a division of the question.

(5) Any question taken under consideration may be withdrawn, postponed, or tabled by unanimous consent or, if unanimous consent is denied, by a motion adopted by a majority of the members elected.

(b) The Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 55)

55. Precedence of Motions.

(a) When a question is under debate, no motion may be entertained except:

- (1) to adjourn to a time certain;
- (2) to adjourn;
- (3) to question the presence of a quorum;
- (4) to recess;
- (5) to lay on the table;
- (6) for the previous question;
- (7) to postpone consideration;
- (8) to commit or recommit; or
- (9) to amend, except as otherwise provided in these Rules.

The foregoing motions have precedence in the order in which they are listed.

(b) During a record vote, no motion (except a motion to postpone consideration) is in order until after the announcement of the result of the vote.

(c) A motion to commit or re-commit, until it is decided, precludes all amendments and debate on the main question. A motion to postpone consideration, until it is decided, precludes all amendments and debate on the main question.

(House Rule 56)

56. Verification.

(a) After any record vote, except for a vote that requires a specific number of affirmative votes and that has not received the required votes, and before intervening business, it is in order for any member to request verification of the results of the record vote, except that (i) a member voting in the affirmative may not request verification of the affirmative votes and (ii) a member voting in the negative may not request a verification of the negative votes.

(b) In verifying a record vote, the Presiding Officer shall instruct the Clerk to call the names of those members whose votes are to be verified. The member requesting the verification may thereafter identify those members he or she wishes to verify. If a member does not answer, his or her vote shall be stricken; the member's vote shall be restored to the roll, however, if his or her presence is recognized before the Presiding Officer announces the final result of the verification. The Presiding Officer shall determine the presence or absence of each member whose name is called, and shall then announce the results of the verification.

(c) While the results of any record vote are being verified, it is in order for any member to announce his or her presence on the floor and thereby have his or her vote verified.

(d) A request for a verification of the affirmative and negative results of a record vote may be made only once on each record vote.

(House Rule 57)

57. Appealing a Ruling.

(a) If any appeal is taken from a ruling of the Presiding Officer, the Presiding Officer shall be sustained unless 71 of the members elected vote to overrule the Presiding Officer. Notwithstanding Rule 52, debate on a motion to appeal is limited to a 2-minute presentation by the Principal Sponsor or a member designated by the Principal Sponsor, a 2-minute presentation by a member in response, and one-minute for the Principal Sponsor to close debate, or yield to other members. A motion to appeal is not in order if the House has conducted intervening business since the ruling at issue was made.

(b) If any appeal is taken from a ruling of a committee Chairperson, the Chairperson shall be sustained unless three-fifths of those appointed vote to overrule the Chairperson. A motion to appeal is not in order if the committee has adjourned or recessed, or if intervening business has occurred. In the case of special

committees with Co-Chairpersons from different political parties, the "Chairperson" for purposes of this Rule is the Co-Chairperson from the majority caucus.

(c) In an appeal of a ruling of the Presiding Officer or Chairperson, the question is: "Shall the ruling of the Chair be sustained?"

(d) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 58)

58. Discharge of Committee.

(a) Any member may move that a standing committee or a special committee be discharged from consideration of any legislative measure assigned to it and not reported back unfavorably.

(b) The motion must be in writing and shall be carried on the Daily Calendar for the next legislative day under the order of "Motions". No action shall be taken on the motion until it is on the calendar.

(c) If the motion receives an affirmative vote of 60 members, the legislative measure subject to the motion shall be referred to the House and placed on the appropriate order of business.

(d) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 59)

59. Previous Question.

(a) A motion for the previous question may be made at any time. A motion for the previous question is not debatable and requires the affirmative vote of 60 members elected.

(b) The previous question shall be stated in the following form: "Shall the main question be put?" Until the previous question is decided, all amendments and debate are precluded. When it is decided that the main question shall not be put, the main question remains under debate.

(c) The effect of the main question being ordered is to put an end to all debate and bring the House to a direct vote on the immediately pending motion. After a motion for the previous question has been approved, unless the vote on that motion suggests the absence of a quorum, it is not in order to move for adjournment or to make any other motion before a decision on the main question.

(d) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 60)

60. Tabling.

(a) Except as otherwise provided in subsections (d) and (e), a motion to lay on the table applies only to the particular proposition and is neither debatable nor amendable.

(b) A motion to table a bill or resolution shall identify the bill or resolution by number. The Principal Sponsor of a bill or resolution may, with leave of the House, table that bill or resolution at any time. A motion to table a committee bill that is before the House may be adopted only by the affirmative vote of a majority of those elected.

(c) The Principal Sponsor of a bill or resolution before a committee may, with leave of the committee, table the bill or resolution. Upon tabling, the Chairperson of the committee shall return the bill or resolution to the Clerk, noting thereon that it has been tabled.

(d) Motions to table floor amendments are debatable and may be adopted by the affirmative vote of a majority of those elected.

(e) No motion to table a committee amendment to a bill or resolution before the House is in order unless it has been first referred to the House for consideration by the Rules Committee under Rule 18, or by a standing or special committee. Motions to table committee amendments are debatable and may be adopted by the affirmative vote of a majority of the members those elected to the House or appointed to the committee, as applicable.

(House Rule 61)

61. Motion to Take from Table.

(a) A motion to take from the table requires the affirmative vote of a majority of those elected if the Rules Committee has previously recommended that action by written notice filed with the Clerk; otherwise, a motion to take from the table requires the affirmative vote of 71 members elected.

(b) A bill taken from the table shall, as applicable, (i) be placed on the Daily Calendar on the order on which it appeared before it was tabled or (ii) be returned to the committee to which it was assigned before it was tabled.

(c) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 62)

62. Motion to Postpone Consideration. A motion to postpone consideration on a bill or resolution may not be made more than once on the same bill or resolution. Unless otherwise provided by these Rules, a motion to postpone consideration shall be granted as a matter of privilege; no motion to postpone

consideration is in order, however, if the bill or resolution initially received a vote of fewer than 47 of the members elected.

(House Rule 63)

63. Motion on Different Subject. No motion or other legislative measure on a subject different from that under consideration shall be admitted under color of amendment.

(House Rule 64)

64. Division of Question. If the question in debate contains several points, any member may have the question divided. On a motion to strike out and insert, it is not in order to move for a division of the question. The rejection of a motion to strike out and insert one proposition does not prevent a motion to strike out and insert a different proposition.

(House Rule 65)

65. Reconsideration.

(a) A member who voted on the prevailing side of a record vote on a legislative measure still within the control of the House may on the same or the following legislative day move to reconsider the vote. The motion to reconsider may be laid on the table without affecting the vote to which it refers. When the motion to reconsider is made during the last 3 days of April or any time thereafter during the regular session, or at any time during a veto or special session, any member may move that the vote on reconsideration be taken immediately. A question that requires the affirmative vote of a majority of those elected or more to carry requires a majority of those elected to reconsider.

(b) A motion to reconsider a record vote on the adoption of an amendment to a bill may be made only on Second Reading.

(c) If a motion to reconsider is made under this Rule and the motion is later tabled, the question shall not be further reconsidered. This subsection (c) may be suspended only by the affirmative vote of 71 members elected.

(d) When a motion to reconsider is made within the time prescribed by these Rules, the Clerk shall not allow the bill or other subject matter of the motion to pass out of the possession of the House until after the motion has been decided or withdrawn. Such a motion shall be deemed rejected if laid on the table.

(e) A Representative who voted "present" or failed to vote on a question does not have the right to move for reconsideration.

(f) Upon a motion to reconsider the vote on the final passage of any bill, the affirmative vote of a majority of those elected is required to reconsider.

(House Rule 66)

66. Motion to Adjourn.

(a) A motion to adjourn is in order at any time, except when a prior motion to adjourn has been defeated and no intervening business has transpired.

(b) A motion to adjourn is neither debatable nor amendable.

(c) The Clerk shall enter in the Journal the hour at which every motion to adjourn is made.

(d) Unless the Presiding Officer otherwise orders, the standing hour to which the House adjourns is 12:00 noon, except on the last day of a week in which the House convenes in regular, veto, or special session, in which case the standing hour to which the House adjourns is 12:30 p.m.

(e) A motion to adjourn for more than 3 days is not in order unless both chambers of the General Assembly have adopted a joint resolution permitting that adjournment. Notwithstanding any other provision of these Rules, a resolution filed under this Rule may be referred to the Rules Committee by the Presiding Officer or may be immediately considered and adopted by the House.

(House Rule 67)

67. Adoption and Amendment to or Suspension of Rules.

(a) Adoption of Rules. At the commencement of a term, the House shall adopt new rules of organization and procedure by resolution setting forth those rules in their entirety. The resolution must be adopted by the affirmative vote of a majority of those elected. These Rules of the House of Representatives are subject to revision or amendment only in accordance with this Rule.

(b) Rules may be amended only by resolution. Any resolution to amend these Rules shall show the proposed changes in the existing rules by underscoring all new matter and by crossing out with a line all matter that is to be omitted or superseded.

(c) Any resolution proposing to amend a House Rule or any Joint House-Senate Rule, upon initial reading by the Clerk, is automatically referred to the Rules Committee. Resolutions to amend the House Rules or any Joint House-Senate Rules may be initiated and sponsored by the Rules Committee and may be amended by the Rules Committee; those resolutions shall not be referred to a committee and may be

immediately considered and adopted by the House. Those resolutions shall be assigned standard debate status, subject to Rule 52.

(d) A resolution to amend the House Rules or any Joint House-Senate Rules that has been reported "do adopt" or "do adopt as amended" by a majority of those appointed to the Rules Committee requires the affirmative vote of a majority of those elected for adoption by the House. Any other resolution proposing to amend the House Rules or any Joint House-Senate Rules requires the affirmative vote of 71 of the members elected for adoption by the House.

(e) No House Rule or any Joint House-Senate Rule may be suspended except by unanimous consent of the members present or upon a motion supported by affirmative vote of a majority of those elected unless a higher number is required in the Rule sought to be suspended. A committee may not suspend any Rule.

(f) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 68)

68. Motion to Commit or Recommit. No motion to commit or recommit a legislative measure to committee, being decided in the negative, shall again be allowed on the same day, or at the same stage of the legislative measure.

(House Rule 69)

69. Effective Date.

(a) A bill passed after May 31 of a calendar year shall not become effective prior to June 1 of the next calendar year unless an earlier effective date is specified in the bill and it is approved by the affirmative vote of 71 members elected.

(b) If a majority of those elected, but fewer than 71, vote affirmatively for a bill on Third Reading after May 31 and the bill specifies an effective date earlier than the following June 1, the bill has not passed, but the Principal Sponsor has the right to have the bill automatically reconsidered and returned to the order of Second Reading for an amendment to remove the earlier effective date. The amendment, if offered and referred to the House by a committee, shall be reproduced and placed on the desks of the members, in the same manner as provided for bills under Rule 39, before the bill is taken up again on the order of Third Reading.

(House Rule 70)

70. Home Rule. No bill denies or limits any power or function of a home rule unit under paragraph (g), (h), (i), (j), or (k) of Sec. 6 of Article VII of the Constitution unless there is specific language limiting or denying the power or function and the language specifically sets forth in what manner and to what extent it is a denial or limitation of the power or function of a home rule unit. If a majority of those elected, but fewer than 71, vote affirmatively for a bill on Third Reading that requires the affirmative vote of 71 members elected to deny or limit a power of a home rule unit, the bill has not passed, but the Principal Sponsor has the right to have the bill automatically reconsidered and returned to the order of Second Reading for an amendment to remove those effects of the bill. The amendment, if referred to the House by a committee, shall be reproduced and placed on the desks of the members, in the same manner as provided for bills under Rule 39, before the bill is taken up again on the order of Third Reading.

(House Rule 71)

71. ~~(Blank.) Conflicts of Interest.~~

~~(a) A Committee on Conflicts of Interest is created. It shall consist of 4 members appointed by the Speaker and 4 members appointed by the Minority Leader. The Speaker shall designate one of the members as Chairperson. The Minority Leader shall designate one of the minority caucus members as Minority Spokesperson. The Committee shall not have a Vice Chairperson.~~

~~(b) The Committee shall study the problems of conflicts of interest in relation to the responsibilities of legislators and the laws relating thereto, including the Illinois Governmental Ethics Act. The Committee shall develop guidelines for the conduct of members in regard to conflicts of interest, including procedures for appropriate disclosure of the existence of conflicts. The Committee shall also recommend changes in the law determined to be desirable to assure members appropriate guidance in their conduct. Any report of the Committee shall be filed with the Clerk, who shall reproduce the report and distribute it to each member, in the same manner as provided for bills under Rule 39.~~

(House Rule 72)

72. Concurring in or Receding from Amendments.

(a) If a bill or resolution is received back in the House with one or more amendments added by the Senate, it is in order for the Principal Sponsor to present a motion "to concur" or "not to concur and to ask the Senate to recede" with respect to each, several, or all of those amendments, subject to Rules 18 and 75. A motion to concur shall be by record vote and shall be adopted by the affirmative vote of a majority of

those elected, subject to Rule 69. Any 2 members may demand a separate vote or a separate record vote, as applicable, on any of those amendments.

(b) When the Senate has refused to concur in one or more amendments added to a bill or resolution by the House and has returned the bill or resolution to the House with a message requesting the House to recede from one or more of its amendments, it is in order for the Principal Sponsor to present a motion "to recede" from the House amendments or "not to recede and to request a conference", subject to Rules 18 and 75. A motion to recede shall be by record vote and shall be adopted by the affirmative vote of a majority of those elected, subject to Rule 69. Any 2 members may demand a separate vote or a separate record vote, as applicable, on any of those amendments.

(c) Joint action motions are renewable and may be reconsidered, provided that no joint action motion may be voted on more than twice by the House.

(House Rule 73)

73. Conference Committees.

(a) A disagreement between the House and Senate exists with respect to any bill or resolution in the following situations:

(1) when the Senate refuses to recede from the adoption of any amendment, after the House has previously refused to concur in the amendment; or

(2) when the House refuses to recede from the adoption of any amendment, after the Senate has previously refused to concur in the amendment.

In those cases of disagreement between the House and Senate, the House may request a conference. When such a request is made, both chambers of the General Assembly shall appoint members to a committee to confer on the subject of the bill or resolution giving rise to the disagreement. The combined membership of the 2 chambers appointed for that purpose is the conference committee.

(b) The conference committee shall consist of 5 members from each chamber of the General Assembly. The number of majority caucus members from each chamber shall be one more than the number of minority caucus members from each chamber.

(c) Each conference committee shall be comprised of 5 members of the House, 3 appointed by the Speaker and 2 appointed by the Minority Leader. No conference committee report may be filed with the Clerk until a majority of the House conferees has been appointed.

(House Rule 74)

74. Conference Committee Reports.

(a) No subject matter shall be included in any conference committee report on any bill unless that subject matter directly relates to the matters of difference between the House and Senate that have been referred to the conference committee unless the Rules Committee, by a majority vote of the members appointed, determines that the proposed subject matter is of an emergency nature, is of substantial importance to the operation of government, or is in the best interests of Illinois.

(b) No conference committee report shall be received by the Clerk or acted upon by the House unless it has been signed by at least 6 conferees. The report shall be signed in duplicate. One of the reports shall be filed with the Secretary of the Senate and one with the Clerk. The report shall contain the agreements reached by the committee.

(c) If the conference committee determines that it is unable to reach agreement, the committee shall so report to each chamber of the General Assembly and request appointment of a second conference committee. If there is agreement, the committee shall so report to each chamber.

(d) No conference committee report shall be adopted by the House except on a record vote of a majority of those elected, subject to Rule 69.

(House Rule 75)

75. House Consideration of Joint Action.

(a) No joint action motion for final action or conference committee report may be considered by the House unless it has first been referred to the House by the Rules Committee or a standing committee or special committee in accordance with Rule 18, or unless the joint action motion or conference committee report has been discharged from the Rules Committee under Rule 18. Joint action motions for final consideration and conference committee reports referred to a standing committee or special committee by the Rules Committee may not be discharged from the standing committee or special committee. This subsection (a) may be suspended by unanimous consent.

(b) No conference committee report may be considered by the House unless it has been reproduced and placed on the members' desks, in the same manner as provided for bills under Rule 39, for one full day during the period beginning with the convening of the House on the 2nd Wednesday of January each year

and ending on the 30th day prior to the scheduled adjournment of the regular session established each year by the Speaker pursuant to Rule 9(a), and for one full hour on any other day.

(c) Before any conference committee report on an appropriation bill is considered by the House, the conference committee report shall first be the subject of a public hearing by a standing Appropriations Committee or a special committee (the conference committee report need not be referred to an Appropriations Committee or special committee, but instead may remain before the Rules Committee or the House, as the case may be). The hearing shall be held pursuant to not less than one hour advance notice by announcement on the House floor, or one day advance notice by posting on the House bulletin board. An Appropriations Committee or special committee shall not issue any report with respect to the conference committee report following the hearing.

(d) Any House Bill amended in the Senate and returned to the House for concurrence in the Senate amendment shall lie upon the desk of the Clerk for not less than one hour before being further considered.

(e) No House Bill that is returned to the House with Senate amendments may be called except by the Principal Sponsor, or by a chief co-sponsor with the consent of the Principal Sponsor. This subsection may not be suspended.

(f) Except as otherwise provided in Rule 74, the report of a conference committee on a non-appropriation bill or resolution shall be confined to the subject of the bill or resolution referred to the conference committee. The report of a conference committee on an appropriation bill shall be confined to the subject of appropriations.

(House Rule 76)

76. Action on Conference Committee Reports.

(a) Each chamber of the General Assembly shall inform the other by message of any action taken with respect to a conference committee report. Copies of all papers necessary for a complete understanding of the action shall accompany the message. The original bill or resolution shall remain in the chamber of origin.

(b) No conference committee report may be called except by the Principal Sponsor of the bill for which the conference committee was appointed. A chief co-sponsor may call a conference committee report with the consent of the Principal Sponsor. This subsection may not be suspended.

(c) If either chamber refuses to adopt the report of the conference committee, the report of the conference committee is laid on the table, or the first conference committee is unable to reach agreement, either chamber may request a second conference committee. When such a request is made, each chamber shall again appoint a conference committee. If either chamber refuses to adopt the report of a second conference committee, the 2 chambers shall have adhered to their disagreement, and the bill or resolution is lost.

(House Rule 77)

77. Recording of Vetoes. Upon the receipt by the House of any bill returned by the Governor under any of the provisions of Article IV, Sec. 9 of the Constitution, the Clerk shall enter the objections of the Governor on the Journal, and shall distribute copies of all veto messages to each member's desk, together with copies of the vetoed bill or item, as soon as practical, in the same manner as for bills under Rule 39.

(House Rule 78)

78. Amendatory Vetoes.

(a) The Principal Sponsor of a bill that has been passed by the General Assembly may request the Clerk to notify the Governor that the Principal Sponsor wishes to be consulted by the Governor or his or her designee before the Governor returns the bill together with specific recommendations for change under subsection (e) of Section 9 of Article IV of the Illinois Constitution.

(b) Any bill returned by the Governor together with specific recommendations for change under subsection (e) of Section 9 of Article IV of the Illinois Constitution shall automatically be placed on the Daily Calendar on the order of amendatory vetoes, and shall be considered as provided in this Rule.

(c) The Governor's specific recommendations for change with respect to a bill returned under subsection (e) of Section 9 of Article IV of the Illinois Constitution shall be limited to addressing the Governor's objections to portions of a bill the general merit of which the Governor recognizes and shall not alter the fundamental purpose or legislative scheme set forth in the bill as passed.

(d) Any motion to accept the Governor's specific recommendations for change shall be automatically referred to the Rules Committee. The Rules Committee shall examine the Governor's specific recommendations for change and determine by a majority of the members appointed whether those recommendations comply with the standard set forth in subsection (c). Any motion to accept specific recommendations for change that the Rules Committee determines are in compliance with subsection (c) of this Rule shall be subject to action by the Rules Committee in the same manner as floor amendments, joint

action motions, conference committee reports and motions to table committee amendments under Rule 18(e).

(e) Any motion to override the Governor's specific recommendations for change shall not be referred to a committee and may be immediately considered and adopted by the House subject to Rule 80(d).

(f) This rule may not be suspended.

(House Rule 79)

79. Motions to Consider Vetoes. For purposes of this Article, the term "motions" means motions to accept or override a veto of the Governor. Motions with respect to bills returned by the Governor may be made by the Principal Sponsor, the committee Chairperson in the case of a committee-sponsored bill, or if Co-Chairpersons have been appointed, by the Co-Chairperson of the majority caucus in the case of special committee-sponsored bills. Motions shall be filed in writing with the Clerk. Any motion to override a veto of the Governor shall not be referred to a committee and may be immediately considered and adopted by the House subject to Rule 80. All motions shall be assigned standard debate status, subject to Rule 52, are renewable, and may be reconsidered, provided that no motion may be voted on more than twice by the House.

(House Rule 80)

80. Consideration of Motions.

(a) The vote to override a veto of a bill vetoed in its entirety shall be by record vote and shall be entered on the Journal. The form of motion with respect to these bills shall be: "I move that _____ Bill _____ do pass, notwithstanding the veto of the Governor."

(b) The vote to override an item veto shall be by record vote as to each item separately and shall be entered on the Journal. The form of motion with respect to an item shall be: "I move that the item on page _____, line _____, of _____ Bill _____ do pass, notwithstanding the item veto of the Governor."

(c) The vote to override an item reduction veto and restore an item that has been reduced shall be by record vote as to each item separately and shall be entered on the Journal. The form of motion with respect to an item shall be: "I move that the item on page _____, line _____, of _____ Bill _____ be restored, notwithstanding the item reduction of the Governor."

(d) A bill returned together with specific recommendations of the Governor may be acted upon, by record vote, in either of the following manners:

(1) By a motion to accept the specific recommendations of the Governor. The form of motion shall be: "I move to accept the specific recommendations of the Governor as to _____ Bill _____ in manner and form as follows: (inserting herein the language deemed necessary to effectuate the specific recommendations)."; or

(2) By considering the bill as a vetoed bill and overriding the recommendation and passing the bill in its original form. The form of motion shall be: "I move that _____ Bill _____ do pass, notwithstanding the specific recommendations of the Governor."

(House Rule 81)

81. Vetoed Bills Considered in Entirety. If a bill is returned by the Governor containing more than one item veto, reduction veto, specific recommendation for change, or combination of them, the bill shall be acted upon in its entirety before the bill is released from the custody of the House.

(House Rule 82)

82. Disposition of Vetoes. When a bill or item has received the affirmative vote of the number of members elected necessary under the Constitution, the Presiding Officer shall declare that the bill or item has been passed or restored over the veto of the Governor, or that the specific recommendations for change have been approved, as the case may be. The bill shall then be attested to by the Clerk who shall note thereon the day the bill passed. The bill and the objections of the Governor shall then be immediately delivered to the Senate. When specific recommendations have been accepted, then the accepting language shall be attached to the original bill, and the bill shall be delivered to the Senate.

(House Rule 83)

83. Election Contests and Qualifications Challenges.

(a) An election contest places in issue only the validity of the results of an election of a member to the House in a representative district. An election contest may result only in a determination of which candidate in that election was properly elected to the House and shall be seated.

(b) A qualifications challenge places in issue only the qualifications of an incumbent member of the House under the Constitution, or the legality of an appointment of a person as a member of the House to fill a vacancy. A qualifications challenge may result only in a determination of whether a member of the House is properly seated.

(c) Election contests and qualifications challenges shall be brought and conducted as provided in these Rules.

(d) If an election contest or qualifications challenge is filed with the Clerk, the Speaker shall create an Election Contest or Qualifications Challenge Committee, as the case may be, within 3 legislative days by filing a notice with the Clerk. The creation of any committee under this Rule shall be governed by Rule 10. The election contest or qualifications challenge shall be automatically referred to the Election Contest or Qualifications Challenge Committee, as the case may be. For purposes of this Article, the term "committee" means only the Election Contest or Qualifications Challenge Committees created under this Rule. This subsection may not be suspended.

(e) The committee may adopt rules to govern election contests and qualifications challenges, but those committee rules must be consistent with these Rules, must be filed with the Clerk, and must be made available to all parties and to the public. Any committee rule shall be subject to amendment, suspension, or repeal by House resolution.

(House Rule 84)

84. Initiating Election Contests.

(a) Election contests may be brought only by a registered voter of the representative district or by a member of the House.

(b) Election contests may be brought only by the procedures and within the time limits established by the Election Code. Notice of intention to contest shall be served on the person certified as elected to the House from the representative district within the time limits established by the Election Code. The requirements of this subsection apply to a member of the House appointed to fill a vacancy the same as if that member had been elected to the House.

(c) Within 10 days after the convening of the House in January following the general election contested, each contestant shall file with the Clerk a petition of election contest and shall serve the petition on the incumbent member of the House from the representative district. A petition of election contest shall allege the contestant's qualifications to bring the contest and to serve as a member of the House, that he or she believes that a mistake or fraud has been committed in specified precincts in the counting, return, or canvass of the votes, or that there was some other specified irregularity in the conduct of the election in specified precincts. A petition of election contest shall contain a prayer specifying the relief requested and the precincts in which a recount or other inquiry is desired. A petition of election contest shall be verified by affidavit swearing to the truth of the allegations or based upon information and belief, and shall be accompanied by proof of service on all respondents.

The petition must be signed by at least one member of the House, and shall contain suggested charges which, if true, may subject the member named in the petition to disciplinary action by the House. If the petition is signed by 3 or more members of the House, the Speaker shall appoint 3 members of the majority caucus and the Minority Leader shall appoint 3 members of the minority caucus to a special investigating committee. If the petition is signed by fewer than 3 members of the House, the Speaker shall consult the member named in the petition, and unless that member objects in writing, the Speaker and the Minority Leader shall appoint a special investigating committee. If the member named in the petition objects to the appointment of a special investigating committee, any member who signed a petition for an investigation under this Rule may introduce a resolution to initiate disciplinary proceedings. Unless a resolution initiating disciplinary proceedings is introduced under this Rule, the contents of a petition for a special investigating committee shall be confidential except as to the member named, the members signing it, the Speaker, and the members of a special investigating committee.

(b) A resolution to initiate disciplinary proceedings shall be substantially in the following form:

"BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE _____ GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that a Special Investigating Committee be appointed to investigate allegations concerning the conduct of Representative _____, which, if true, may subject that member to disciplinary action by the House of Representatives."

A resolution to initiate disciplinary proceedings may be introduced only as permitted under this Rule. It is improper to attempt to initiate disciplinary proceedings in any manner not authorized by this Rule.

(f) This Rule may be suspended only by unanimous consent.

(House Rule 92)

92. Preliminary Investigation.

(a) Pursuant to a petition or upon the adoption of a resolution initiating disciplinary proceedings, as provided in Rule 91, a special investigating committee consisting of 6 members shall be appointed, of whom 3 shall be appointed by the Speaker from the majority caucus and 3 shall be appointed by the Minority Leader from the minority caucus. The Speaker shall appoint the Chairperson of the special investigating committee from among the 6 members. Sponsors of the initiating resolution may not be appointed to the special investigating committee.

(b) The special investigating committee shall conduct a thorough investigation of all allegations and charges of impropriety concerning the member named in the initiating resolution that are brought to its attention to determine if reasonable grounds exist to bring charges against the member for formal disciplinary proceedings by the House. The special investigating committee shall meet with the Principal Sponsor of the initiating resolution at its initial meeting.

At the initial meeting, the Principal Sponsor of the initiating resolution shall submit to the special investigating committee a written list of suggested charges. The list shall define the scope of the inquiry or investigation pursuant to the initiating resolution. If the Principal Sponsor of the initiating resolution fails to submit a list, the special committee shall report a resolution of exoneration.

The Principal Sponsor of the initiating resolution shall also submit to the special investigating committee all information he or she may have relevant to the charges and allegations.

(c) The special investigating committee shall conduct all of its proceedings in executive session, and shall maintain strict confidence as to all of its proceedings and all witnesses, testimony, information, and exhibits that may come before it. No transcript or record of proceedings shall be taken. This subsection shall be adopted and effective upon an affirmative vote of 79 members. This subsection may not be suspended.

(d) Except for its initial meeting, any posting or notice requirements do not apply to meetings of the special investigating committee, but the Chairperson shall give notice of all meetings to the member named in and the Principal Sponsor of the initiating resolution and shall give reasonable notice to the public. The member who is the subject of the initiating resolution has the right to counsel during proceedings of the special investigating committee.

(e) Except for subsection (c), this Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 93)

93. Report of Special Investigating Committee.

(a) The special investigating committee shall report in writing. All reports shall be signed by the members supporting the report.

(b) If a majority of the members of the special committee determines to prefer charges, it shall file with the Clerk a formal statement of charges and specifications, and shall appoint 2 members of the House, one from the majority caucus and one from the minority caucus, who are not members of the special investigating committee to be managers for the House at the hearing on the charges. The statement of charges shall constitute the report of the special committee, but the special committee in its discretion may file a supplementary report stating its reasons for not bringing any other charges that may have been suggested to it.

(c) If the special committee determines not to prefer charges, it shall file with the Clerk a resolution exonerating the member named in the initiating resolution together with a report stating its reasons for not preferring charges.

(d) If the special committee cannot by majority vote of its members determine whether to prefer charges, the committee shall file with the Clerk a resolution of exoneration and a report stating the affirmative reasons for not preferring charges. That report shall be signed by all members of the special investigating committee, regardless of their original vote in the committee proceedings on whether to prefer charges.

(e) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 94)

94. Select Committee on Discipline.

(a) When charges are preferred against any member of the House under Rule 93, the Speaker and the Minority Leader shall appoint a committee, to be known as a select committee on discipline, to hear and determine the charges. The select committee shall consist of 12 members of the House, 6 of whom shall be appointed by the Speaker from the majority caucus and 6 of whom shall be appointed by the Minority Leader from the minority caucus. The Speaker shall appoint a Chairperson of the select committee from among the 12 members. No member who served on the special investigating committee or any sponsor of the initiating resolution may be appointed to the select committee.

(b) All appointments to a select committee on discipline shall be completed and the select committee shall convene within 30 days after the filing of charges for which the committee is appointed.

(c) This Rule may be suspended only by the affirmative vote of 79 members elected.

(House Rule 95)

95. Hearings on Disciplinary Charges.

(a) Proceedings before the select committee on discipline shall be adversary in form, with the managers for the House presenting the case for disciplinary action. The respondent member may be represented by counsel.

(b) Stipulations of fact shall be encouraged by the select committee.

(c) The rules of evidence applicable to criminal proceedings apply except as may be waived by the managers or respondent, as may be appropriate.

(House Rule 96)

96. Report of Select Committee.

(a) The committee shall vote on each specification and charge, except that a vote of exoneration on a charge shall be a vote as to all specifications under that charge. All final votes on the merits of a charge or specification shall be by record vote.

(b) A finding of fault or exoneration on any specification or charge requires an affirmative vote of a majority of the members appointed to the select committee.

(c) The committee shall file a report of its findings on each specification and charge and a recommendation as to penalty with the Clerk. The report shall state the reasons for each conclusion and recommendation. If the committee finds the respondent member exonerated regarding any charge, it shall report a resolution of exoneration together with its report. If the select committee finds the respondent member at fault regarding any charge, it shall report a resolution embodying its findings and recommended penalty.

(d) If a select committee reports a finding of fault regarding any charge, any member of the select committee may file a minority report with the Clerk either dissenting from a finding, reason, or recommendation in the majority report or stating a concurrence on different grounds. A dissenting report may include a resolution of exoneration as to any charge or specifications.

(e) When a select committee has found a member at fault regarding a charge, the committee shall adopt a recommendation for disciplinary action. The committee may recommend a reprimand, a censure, expulsion from the House, or that no penalty be invoked. The recommendation on disciplinary action requires an affirmative vote of the majority of the members appointed to the select committee.

(f) This Rule may be suspended only by the affirmative vote of 71 members elected.

(House Rule 97)

97. House Action on Disciplinary Reports.

(a) The report of a select committee, together with any dissenting or concurring reports, and any accompanying resolution, shall be reproduced and placed on the members' desks, in the same manner as for bills under Rule 39. The report shall be placed on the calendar under the heading "Report of Select Committee on Discipline". The report shall be carried on the Daily Calendar for 2 legislative days before any action by the House.

(b) If the report of a select committee or a special investigating committee exonerates the respondent member, the House shall take up the resolution or re-refer the case to the committee for further proceedings.

(c) If the select committee reports a finding of fault as to any charge, the House shall take up the resolution for disciplinary action together with any minority resolutions. The House may amend a resolution for disciplinary action to decrease the recommended penalty.

(d) The House shall take action by a record vote on each resolution. Adoption of a resolution finding the respondent member at fault regarding charges and specifications shall dispose of any minority resolution of exoneration on those charges and specifications. If the House adopts a resolution of exoneration as to any charge or specification, a majority resolution shall be amended in accord with that disposition of those charges and specifications before it may be called for a final vote. If the adoption of exoneration resolutions disposes of all the charges and specifications in a majority resolution for disciplinary action, the majority resolution shall be tabled.

(e) Following record votes on all majority and minority resolutions arising out of a select committee finding of fault on a charge or specification, if there remains any charge or specification on which the House has neither exonerated the member or adopted a finding of fault, then any member may introduce and move a resolution of exoneration on that charge or specification.

(f) A resolution finding a member at fault regarding a charge may be adopted only by the affirmative vote of 71 members elected, except that a resolution the effect of which is to expel a member may be adopted only by the affirmative vote of 79 members elected.
